### Support Louisiana's Coastal Wetlands And Coastal Stewards

Since 1995, The Coalition to Restore Coastal Louisiana has recognized those individuals and groups who have made significant contributions to the preservation and restoration of Louisiana's coastal wetlands through the Coastal Stewardship Awards Program.

The Stewardship Awards Program and its award recipients raise the profile of restoration efforts by promoting responsible coastal stewardship and encouraging others to share in that responsibility. Award recipients are selected on the merit of their work and the significance of their contribution.

The Coastal Stewardship Awards Program would not be possible without the support and generosity of individuals and organizations that sponsor our annual event. We hope you will accept our invitation to support CRCL's 2010 Coastal Stewardship Awards Program by becoming a sponsor for our 15th annual awards banquet.
